

TAHOE
GETAWAYS

Guest Code of Conduct

Tahoegetaways is committed to providing a safe, comfortable and enjoyable vacation experience for all of our guests. Please bear in mind that you are staying in a residential area. We trust that you will show courtesy and respect to the neighbors and conduct yourself in a manner in keeping with the neighborhood practices and local ordinances. Please review this Code of Conduct with each person in your group.

- Noise travels easily in the mountains. Please respect the neighborhood and your neighbor's right to quiet enjoyment of their home. Loud music and noise are prohibited at all times. Quiet time is 8PM to 8AM, during which noise should not be noticeable from the curb or from your neighbor's property. Keep in mind, simply talking over a hot tub jet can be disturbing to a neighbor.
- Vehicles parked on or near the premises shall not exceed the published tolerances and they should be parked in paved driveways, garaged, or in other designated areas. Check for signage, but street parking is generally prohibited.
- Please respect the property boundaries and privacy of your neighbors. Something as innocent as children exploring can be a real hot button for neighbors.
- Help keep Tahoe clean! Gathering for a group vacation can produce a lot of refuse. Knowing this, we schedule extra trash pickups with the trash company, however there are times when our staff needs to remove trash. Here is how you can help us manage the trash and keep the bears from getting into trouble:
 - Separate your recycling. Glass, plastic, and aluminum goes in the blue recycle bags. Please make sure all of the containers are empty.
 - Break down & flatten cardboard boxes
 - Don't over fill bags, and make sure they are tied tight.
 - If you run out of room in your bear box, the blue bags and cardboard can be stored in your garage without attracting animals; at least until the extra scheduled pickup happens. If the extra pickup is more than a day out, call Tahoegetaways and we will remove your trash for you. Thanks in advance for properly bagging your trash.
 - For excessive circumstances, Tahoegetaways reserves the right to charge \$20 per 40 gallon bag. Alternatively, guests can discard of excessive trash at the Eastern Regional Landfill public dump; located at 900 Cabin Creek Road, off Hwy 89 (between Truckee and Squaw Valley).
